

# Physiotherapists. It's time to mobilise.

**Apply now** to help our athletes get back in action at the Gold Coast 2018 Commonwealth Games.

Before, during or after competition – physiotherapy is the most sought after service at the Commonwealth Games.

In March and April 2018, volunteer physiotherapists will have the opportunity to work with some of the world's most elite athletes and team officials at the Games.

You will work with us to deliver a comprehensive physiotherapy program which includes roles at:

- +the Commonwealth Games Village Polyclinic
- +Athlete Medical Facilities at training and competition venues
- +the Field of Play.

You may also be placed as a dedicated physiotherapist for a selected country under the Team Physiotherapy Program.

Give your career a leg up – don't miss this once in a lifetime opportunity to work alongside some of Australia's best sports physicians and add the Commonwealth Games experience to your resume.
